

**Regener8 Annual Conference 2014**  
**'The Pathway to Innovation for Regenerative Therapies'**

Wednesday 17 September  
Parkinson Court, University of Leeds, Leeds LS2 9JT

- 9.00-10.00** *Registration, networking, exhibition & poster viewing*
- 10.00-10.15** **Welcome – Prof John Fisher**, Executive Director, Regener8  
**Opening Address – Sir Alan Langlands**, Vice Chancellor, University of Leeds
- 10.15-10.40** **KEYNOTE – Kevin Baughan**, Director of Technology & Innovation, Technology Strategy Board
- 10.40-10.55** **PoC Project presentation: Prof Paul Hatton**, University of Sheffield  
*Bioactive cements and pre-set porous scaffolds to promote bone tissue regeneration*
- 10.55-11.10** **PoC Project presentation: Dr Ifty Ahmed**, University of Nottingham  
*Manufacturing Bone Tissue Using Resorbable Porous Calcium Phosphate Microspheres Loaded with Autologous Stem Cells*
- 11.10-11.25** **PoC Project presentation: Prof Gordon Blunn**, UCL  
*The use of de-mineralised bone and cellularised de-mineralised bone in rotator cuff repair*
- 11.25-11.55** *Refreshments, networking, exhibition & poster viewing*
- 11.55-12.15** **KEYNOTE - Dr John Stageman**, Bionow and Biomedical Catalyst Major Awards Committee
- 12.15-12.35** **KEYNOTE – Prof Jim Shaw**, Professor of Regenerative Medicine for Diabetes, Newcastle University
- 12.35-12.50** **PoC Project presentation: Prof Jenny Southgate**, University of York  
*Bladder-Derived Natural Acellular Matrix for Urinary Tract Application*
- 12.50 - 2.15** *Lunch, networking, exhibition and poster viewing*
- 2.15-2.30** **PoC Project presentation: Prof David Watts**, University of Manchester  
*Polymeric scaffolds functionalised for periodontal repair*
- 2.30-2.45** **PoC Project presentation: Prof Serena Best**, University of Cambridge  
*CamRegen Scaffolds for Cardiac Repair*
- 2.45-3.00** **PoC Project presentation: Dr Tahera Ansari**, Northwick Park Institute for Medical Research  
*Small bowel replacement and regeneration*
- 3.00-3.15** **Regener8 Early Career Researcher network update**
- 3.15–3.45** *Refreshments, networking, exhibition and poster viewing*
- 3.45-4.10** **KEYNOTE 4 – Dr Wilfried Dalemans**, Chief Technical Officer, TiGenix
- 4.10–4.35** **KEYNOTE – Dr. Rob Buckle**, Director of the UKRMP and Head of Regenerative Medicine, MRC
- 4.35–4.45** **Announcement of poster competition award and headline sponsor address, followed by final remarks and close**
- 4.45-6.00** *Drinks reception, networking and exhibition*
